**From an Editor:** All I have to say, no wonder no one likes being the ol' Editor of the times! Firstly, I was given a call on Friday saying, 'We want a Times for next week, so we need it done by Sunday'.... Hello! Secondly; is there anything to report about? I think not. Only a few out-of-shape guys running around the paddock for the last two weeks for pre-season training; I hardly call that news. So what am I to write about? Oh, and lastly, this \*&\$\$#@! computer is a nightmare to work with (perhaps I should read the instructions though, eh?). I can't work out the fonts... I push 'I' and does the text italicized itself? No! I just get some instruction on the screen saying, 'pressing this will italicize selected text'. Yeah, well my text is selected and it ain't in italics, mate! Humph. As you can see, this 36 degree weather is having an ill effect on this poor ol' American girl from Boston.... Apparently the weather is having an ill-effect on this damn computer too, as 'bold', 'italics' etc are not working properly. ARGH!

Ok, so once again, I have to make up the news....

## This Sporting Life:

### **Pre-season Training**

Not much exciting news here.... Like I said before, I guess the guys are getting together and running around the paddock, trying to work off what they put on in the off-season. Training seems to be going well on the new Urrbrae field.

### **The Adelaide International Provincial Rugby Sevens**

Well, I'm not sure what happened at Elizabeth on the 10th of February (*Disgruntled Ed: Has anyone told me? No.*) Anyhow, I did go to the Adelaide International Provincial

Rugby Sevens on Saturday 17 February, so I can tell you a little bit about that. Despite the fact that a certain Social Secretary sold my undercover grandstand tickets (let's get it out in the open; it was Colin Moss, all right?! And he claims he sold his own undercover grandstand tickets as well. However, when we called him on the mobile, I swear I saw someone up in the Corporate boxes answering a phone... and when questioned where he was, Mr Moss replied, 'Hindmarsh...(pause) Island' Yeah sure Mossie... more like Hindmarsh air-conditioned corporate box! ). Anyhow, despite being seated in the regular open and certainly sunny grandstands (I won't mention this misunderstanding again) the event was magnificent! Hindmarsh stadium was a perfect venue, since no matter where you sat (even in the steaming sun, where you weren't supposed to be... oops, I mentioned it again!) you could get a great look at the action, not to mention the players. I arrived at 1.30pm (when the sun is at it's hottest) and found that I was surrounded by other hot and sweaty Old Collegians. The action was great (even though sometimes I missed stuff due to the sun being in my eyes...). I especially enjoyed the antics of the Fijian team - the Elizabeth President's Cavaliers, who were quick as lightning. Jonah Lomu was an excellent draw-card, and everyone cheered when he got the ball and had to be tackled by two or three guys. The two teams in the Grand Final were North Harbour (NZ) v. the Counties (NZ). It was a close match, but the Counties proved to be the better team. So it was a great action-packed day that provided heaps of entertainment for all... even the half-time entertainment of STAND (also known as 'boys to men') was fairly amusing. Hoppo said that was the highlight for him. Hey, was anyone else humming 'Swing low sweet chariot' all day Sunday??!

#### Club News....

##### **From the Registrar:**

Please note, this year Mr Forde will not be participating in either First Grade or State Rugby. Therefore, I will have plenty of time to be a complete and utter *bastard* and will pester all the late payers to death! To avoid this unfortunate situation, please pay your subs early (*Miss Ed: Forde in your face is not a pretty sight...so pay your subs on time!*). The Subs will remain the same as in 1995, ranging from playing members at \$125 to Associate Members (girlfriends, wives, hired escorts, etc) at \$25. If you have any queries, contact Mr Forde on 362-3214.

#### Home Improvements....

Floodlights will be installed at Urrbrae within the next two weeks. The old goal-post from Tregenza will be transplanted to the Urrbrae paddock, with a new goal-post to be installed at Tregenza.

At the clubhouse, stairs have been built from the carpark up to the 'supporters' deck, relegating the muddy hill to the distant memory! The deck will be extended further to hold more supporters and their combined drinking arms.

##### **Special Club News:**

**Galaxy TV** Yes it's true, the club has acquired Galaxy TV! All are welcome to come and see this new acquisition on **Saturday 2 March** to see England vs Scotland (Hamish's note: come and see Scotland whip the butts of the pathetic Poms). The game starts at **12.00 midnight** and a small fee will be charged at the door (less than \$5, I've been assured). The current t.v. has been consigned to the rubbish pit, and a bigger and better version is on its way!

#### Club Gossip...

\* Hamish Cranna has been hailed as the great fisherman of Kangaroo Island. After fighting for hours to land this great big fish, his photo was taken and the fish was weighed in at... 100 grams! Harry mocked the catch and said, 'It's not even good enough for bait'!

\* Comet turned 28 the other day. Celebrations were held at

the Cog and drinks were in everyone's hand. Comet drank Coopers ('Because it doesn't give me a headache', Comet) and was last seen staggering towards the door at 1 am.

\* Harry turned 51 (going on 19!) on 22 February and managed to sneak it in without telling anyone. So give him some grief.

\* Nicole Quodling has departed for a nice holiday in England (or is it a man-hunt?!). She has left this wonderfully warm 35+ weather for freezing -15 blizzard conditions. Let's see her wear a mini-skirt now!

\* Ben Suttel managed to make it to the USA (what a great land!). His first stop was Portland, Oregon. Last reports have heard that he was sick of the cold weather is now headed for the UK to a warm pub and even warmer beer with Nick Porter and Froggie.

\* Speaking of Nick Porter, he has rung the Registrar and left a message on his answering machine. Unfortunately, the message is indecipherable as he had been drinking with Froggie and appears to have learned the Welsh dialect (or was that the beer talking?).

\* Joyce and Alan Spry took the big winning jumper with #7 from last year's Auction prize which was a dinner at the Empress of India (Nelson Street, Stepney). Great food and wine, friendly service and highly recommended to all! And please mention you are from Old Collegian's Rugby Club!

#### Upcoming events....

##### **Working Bee:**

There will be a working bee within 2 weeks. Look at the Club notice board for specific dates (or wait for Starky to tell you!). Everyone's help will be much appreciated. For those of you who missed helping back in September, now's your chance to make up for it!

##### **Casino Day**

Casino Day will be held on Good Friday (5 April). Be warned - be prepared! You will be approached to assist.

**Night games will commence Friday 1 March, with the regular season commencing after Easter.**

##### **Sponsor's Booklet**

The Sponsors booklet will be produced again this year.

**MATCH REPORTS**

**OCW XV**

**OCW v ONKAVILLE**

**WON 46-5**

**TREGENZA JUNE 27**

The forwards mauled like fairies and the backs defended like stunned sheep standing on train tracks. Apart from that, a few moments of brilliance resulted in an early try to Helene, Zoe touching in 3 tries, Sandi 2 and BOG Naomi Oberscheidt 2 tries. Onkaville's tactics were to kick long into our inexperienced backline, their attack worked and they became the first team to score against us on home turf for a very long time.

**OCW v BRIGHTON**

**WON 19-5**

**BRIGHTON JULY 4**

15 a side, 8 player contested scrums (happy flankers, happy props & a nasty little hooker). Half time score was 7-5, which reflected a strong, physical and well fought game. The strength in our forward pack proved an asset but a lack of depth in the backline during the first half reduced our advantage. Running across field proved unfruitful while straight runs covered ° the distance and 10x territory. Brighton had their moments to break away, but it was good to see our defence hold up with a new found confidence. Our line outs and scrums were unbeatable with hooker Maxine (Nugget) Dunn getting BOG. Tries to Esme and Sandi (2). We had to fight for this one and it was good to see everyone stand their ground. How does the club song  
 goooooooooooooooooOoooooooooooooooooooo  
 Ooooooooooooooooooooooooooooo Kim?

## 1st XV

### 1st Grade v Brighton, Tregenza

What a game! Were Brighton worried? Were they ever? With 5 minutes to go Old Colls took the lead and the crowd went wild. So unfortunately did Brighton and 2 unanswered tries in that last few minutes kept their unbeaten run intact. From the first five minutes when Old Colls took the lead from a opportunistic try by Ben Suttell and a conversion by Rob Love, the pressure was on Brighton to stay in touch with us. Two successful penalties to them saw a score of 7 to 6. Then a penalty to Old Colls extended our lead, but Brighton replied immediately from the kick off to score a try. Half time score 11 to 10. The 2nd half was evenly contested and Old Colls attack and defence were holding the opposition. Even when Rob Love was in the sin bin, the defence held, but unfortunately when the Brighton player spent his 10 mins there, we failed to take advantage. Rob Love's penalty made it 13 to 11 and all the Old Colls spectators prayed for a final whistle, but it wasn't to be. It shows that it can be done. They can be beaten.

#### Best Players

### 1st Grade v Burnside, Parkinson

A cold, bleak day for Burnside. Their celebratory lunch and their pipe band were all to no avail. They lost to Old Colls. In a game dominated by defence, we were supreme. We took the game

right to them and forced them into uncharacteristic errors. With little ball from the scrums and lineouts, Old Colls were still able to control the game and to have more possession. The forwards won so much of the loose play and all the players ran so strongly at their opponents that they were able to spend a considerable time in the Burnside half. As a result three penalty scoring chances presented themselves and Rob Love took full advantage. The day was complete when, under pressure, passes to the Burnside wingers went straight past them and into touch. It's good to win, but winning against Burnside is just that little bit better. Just think what it would be like if we could win scrums and lineouts.

#### SCORERS

#### Best Players

Dave Pack, Ben Suttell

### 2nd Grade v Brighton,

#### Tregenza

A very competitive first half with the highlight being an intercept by Paull Francis on his own 22 and a run to the line to score the first try of the game, which he then converted. Brighton replied with a try and Old Colls were leading at half time, 7 to 5.

The pressure couldn't be maintained in the 2nd half and errors started to creep in. Brighton took full advantage and some strong attacking movements resulted in tries in the last part of the game.

#### SCORERS

Paull Francis Try, Conv.

#### Final Score

### Brighton 33 d Old Colls 7

### 2nd Grade v Burnside, Parkinson

The first half was dominated by Burnside with inroads being made around the base of the scrum and down the wings. Given that our team was brought together five minutes before the game (as 4 players didn't show) they were showing a great deal of courage and still being competitive. Half time score 29 to nil. A score of 14 to nil for Burnside in the second half was indicative of how the team lifted and how much closer the game was. The last 10 minutes was all Old Colls and we were unlucky not to score.

#### Final Score

**Burnside 43 d Old Colls. 0**

#### Best Players

# Womens Report

A number of Old Colls women have been chosen to represent S.A. at the Nationals in Darwin. This is a great honour for the Club but it is also a great expense for the women, approx \$1000 each and some may not be able to afford such a trip. Club members can help. If you can sponsor a player or contribute to sponsorship, please phone Bronwyn Gibson 82627585 or Ray Butler 83613274.

In addition to sponsorship, you can help by supporting the women.

# OCW XV

## UNI 17 d OCW 0, Bailey

The game we had to lose. Our first loss for over a year. Some may argue various reasons why we lost, injuries, burn out from state, flu, lack of communication resulted in some girls turning up at Waite, we forgot the jumpers, no change rooms, no pads for the posts, pitiful attendances at training. Quite simply we were beaten by a better team on the day. Credit must go to those girls who did take the field, especially our BOG, Bec Manson who deserved every drop of Guinness she later consumed that night.

## OCW 24 d BURNSIDE 0, PARKINSON

Have we redeemed ourselves? Burnside kept us scoreless in the second half, they pushed us around in our 22 threatening to score, and we had a four player advantage. What if the numbers

were even and we could not afford the luxury of forwards hanging off for pure defence? Good points: abundant attendance on Tues, forwards punched the ball up well, quick pick and run from the ruck, bridging, backing up. Needs improving: way too much turnover, our mauling lacked commitment, drive and cohesion, too much loose & uncontrolled ball spilling out of rucks and mauls, attack was too flat, still lacking some faces at training. BOG was Penny Morton, 'At last!' she says. This girl wanted it, who wants it against Brighton?

# Juniors

## Under 18 v Brighton, Tregenza

Once again we were beaten by numbers. Unless we get a full team to training and to the games, we are going to struggle. Thanks to the 2 under 16s who helped again.

## Under 14 v Brighton Tregenza

Brilliant play by Old Colls for the first quarter of the game but didn't continue for the rest of the game. 2 kicks from us gave Brighton 2 tries and 2 conversions. Brighton's scoring was dominated by one player and although Old Colls had more than one good player, they weren't good enough.

## Under 16s v Burnside, Parkinson

A good game but the team took most of the time to get started. Once we did get going, the rugby was brilliant. Good games from James Hopkins and Christian Tedge and also from our two props playing on the wings.

# Womens Report

A number of Old Colls women have been chosen to represent S.A. at the Nationals in Darwin. This is a great honour for the Club but it is also a great expense for the women, approx \$1000 each and some may not be able to afford such a trip. Club members can help. If you can sponsor a player or contribute to sponsorship, please phone Bronwyn Gibson 82627585 or Ray Butler 83613274.

In addition to sponsorship, you can help by supporting the women.

We started the game with 12 players and ended with only 10. It was a gutsy, solid effort by the whole team, particularly in the last ten minutes.

## OCW XV

## UNI 17 d OCW 0, Bailey

The game we had to lose. Our first loss for over a year. Some may argue various reasons why we lost, injuries, burn out from state, flu, lack of communication resulted in some girls turning up at Waite, we forgot the jumpers, no change rooms, no pads for the posts, pitiful attendances at training. Quite simply we were beaten by a better team on the day. Credit must go to those girls who did take the field, especially our BOG, Bec Manson who deserved every drop of Guinness she later consumed that night.

## OCW 24 d BURNSIDE 0, PARKINSON

Have we redeemed ourselves? Burnside kept us scoreless in the second half, they pushed us around in our 22 threatening to score, and we had a four player advantage. What if the numbers

were even and we could not afford the luxury of forwards hanging off for pure defence? Good points: abundant attendance on Tues, forwards punched the ball up well, quick pick and run from the ruck, bridging, backing up. Needs improving: way too much turnover, our mauling lacked commitment, drive and cohesion, too much loose & uncontrolled ball spilling out of rucks and mauls, attack was too flat, still lacking some faces at training. BOG was Penny Morton, 'At last!' she says. This girl wanted it who wants it against Brighton?

Brilliant play by Old Colls for the first quarter of the game but didn't continue for the rest of the game. 2 kicks from us gave Brighton 2 tries and 2 conversions. Brighton's scoring was dominated by one player and although Old Colls had more than one good player, they weren't good enough.

## 1st XV

### 1st Grade v Brighton, Tregenza

What a game! Were Brighton worried? Were they ever? With 5 minutes to go Old Colls took the lead and the crowd went wild. So unfortunately did Brighton and 2 unanswered tries in that last few minutes kept their unbeaten run intact. From the first five minutes when Old Colls took the lead from a opportunistic try by Ben Suttell and a conversion by Rob Love, the pressure was on Brighton to stay in touch with us. Two successful penalties to them saw a score of 7 to 6. Then a penalty to Old Colls extended our lead, but Brighton replied immediately from the kick off to score a try. Half time score 11 to 10. The 2nd half was evenly contested and Old Colls attack and defence were holding the opposition. Even when Rob Love was in the sin bin, the defence held, but unfortunately when the Brighton player spent his 10 mins there, we failed to take advantage. Rob Love's penalty made it 13 to 11 and all the Old Colls spectators prayed for a final whistle, but it wasn't to be. It shows that it can be done. **They can be beaten.**

### 1st Grade v Burnside, Parkinson

A cold, bleak day for Burnside. Their celebratory lunch and their pipe band were all to no avail. They lost to Old Colls. In a game dominated by defence, we were supreme. We took the game

right to them and forced them into uncharacteristic errors. With little ball from the scrums and lineouts, Old Colls were still able to control the game and to have more possession. The forwards won so much of the loose play and all the players ran so strongly at their opponents that they were able to spend a considerable time in the Burnside half. As a result three penalty scoring chances presented themselves and Rob Love took full advantage. The day was complete when under pressure, passes to the Burnside wingers went straight past them and into touch. It's good to win, but winning against Burnside is just that little bit better. Just think what it would be like if we could win scrums and lineouts.

### 2nd Grade v Brighton, Tregenza

A very competitive first half with the highlight being an intercept by Paul Francis on his own 22 and a run to the line to score the first try of the game, which he then converted. Brighton replied with a try and Old Colls were leading at half time, 7 to 5. The pressure couldn't be maintained in the 2nd half and errors started to creep in. Brighton took full advantage and some strong attacking movements resulted in tries in the last part of the game.

### 2nd Grade v Burnside, Parkinson

The first half was dominated by Burnside with inroads being made around the base of the scrum and down the wings. Given that our team was brought together five minutes before the game (as 4 players didn't show) they were showing a great deal of courage and still being competitive. Half time score 29 to nil. A score of 14 to nil for Burnside in the second half was indicative of how the team lifted and how much closer the game was. The last 10 minutes was all Old Colls and we were unlucky not to score.

a few glimpses of enterprising rugby but mistakes that were made under pressure made it tough.

### Mandy Harris

a good break from Jim, but some poor ball handling at times.

failure to retain possession, but good support play.

The 2nd half was an improvement but the team was still way below potential. There was more of the enterprising rugby, including a great move that involved most of the team and resulted in James Denley scoring. The mistakes under pressure still occurred and allowed Eliz. to score some very easy tries.
